

### **Arena guidelines**

- Players will wait outside and only enter the arena under direction of a GTMHA team staff/attendant. All players must social distance prior to entering each facility
- Enter the buildings 15 min prior and MUST leave within 15 min after ice time
- Facemasks are mandatory for inside the facility and while waiting outside to enter, Players are only permitted to remove masks when helmets are on for game time
- Everyone must sanitize they hands prior to entering each facility and upon departure
- **No spectators at this time**
- If any player or if a family member shows any symptoms, they are not permitted to enter the facility.
- Any player who shows symptoms of illness will be sent home immediately and a record will be kept. Provincial protocols for this situation would be followed.

### **Contact tracing**

- all contact tracing lists with names and phone numbers (in a PDF format) must be sent within 1hr after game time to [gtmha.safety@gmail.com](mailto:gtmha.safety@gmail.com)
- in subject line put team name, ice time, and arena ..... ex Trail PWrep Nov1 315pm Trail rink

### **Trail Memorial Center**

- All ice users will be required to enter and exit the facility through the lower concourse doors at the back of the arena. Exiting or entering via the Victoria Street doors is prohibited for anyone associated with ice usage other than in the event of an emergency.
- At no point is the door allowed to be propped open

### **Beaver Valley Arena**

- “Away” team players will enter through parking lot doors and sit in designated spots that will be marked. These spots will be: (11) at parking lot entrance, (5) in change room #1, (5) in change room #2 and (4) in female change room.
- “Home” team players will enter through lobby doors, take a left and sit in designated spots that will be marked. These spots will be: (8) at Zamboni entrance, (5) in change room #8, (5) in change room #9 and (7) in Nitehawks Room.
- **Exiting arena** – “Away” players will enter and exit through the parking lot doors. “Home” players will enter and exit through the lobby. This keeps each team at separate ends.

### Exiting Ice and Buildings

- Once the ice time is over, the players will exit the ice and return to their designated area.
- Players will be allowed to remove their skates, helmet and gloves but all other gear must remain on.
- Participants must leave within 15 minutes so the next group can enter.
- Players are not to get undressed in the parking lot and should leave as soon as possible after their ice time.
- Parents are expected to practice social distancing while waiting for their children.

### Dressing Rooms:

- Change rooms are available but limited for use at this time and showers are not available.
- Change room doors are to remain open at all times.
- Seated areas are to be used to tie skates/remove skate guards, fasten helmets and put gloves on.
- Skate guards, street shoes and hockey bags will be left at their seat as the participants take the ice.
- **NO SPITTING ANYWHERE IN THE FACILITY OR ON THE ICE.**
- Facemasks will be mandatory while in the dressing room. Removal of mask only when helmets go on and player going to ice surface and will be reapplied once off the ice and helmet back on
- Players will not be permitted to enter other people's dressing rooms.
- Players are asked to arrive partially dressed.

### Equipment:

- Players will have their own equipment, no sharing of equipment is allowed.
- Players will be required to bring their own water bottles that must be filled at home.
- Sharing water bottles will not be permitted. Anyone sharing will be asked to leave the arena.
